Order

Re: ECF No. 41

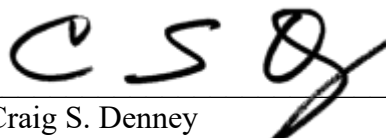

9 Plaintiff's motion to correct docket numbers (ECF No. 41) is **GRANTED**.

10 On August 1, 2023, Plaintiff filed two motions: a motion to compel and a motion for
11 preliminary injunction and temporary restraining order (TRO). It appears that the motion for
12 preliminary injunction and TRO were overlooked, and the documents were docketed in a single
13 entry.

14 The Clerk shall **separate out the motion for preliminary injunction and motion for**
15 **TRO** set forth at ECF No. 39 at 4-13 and **assign those motions a separate docket number**. The
16 motion to compel shall remain as ECF No. 39.

17
18 **IT IS SO ORDERED.**
